

# 31 DAYS OF BLACK BEAUTY

CHECK OUT THESE AMAZING BEAUTY FINDS—WITH HAUTE INGREDIENTS FROM ACROSS THE GLOBE  
BY ANDREA JORDAN

**1** Shea butter, from Central and West Africa, is extracted from the nuts of the Karite tree, which takes 15 years to bear fruit!

**3** Cleanse skin with the nectar from Australian limes and lemons that help brighten your complexion.

**4** This shampoo detangles in a pinch with sap from the banana trees of Guatemala.

**5** French-grown cornflower soothes tired eyes.

**19** A blend of African oils penetrates to replenish damaged skin cells.

**20** Boost strands with baobab extract from Africa and copper peptides.

**21** The serum's floral extracts, which are found in Thailand, help slow signs of aging.

**6** Japanese powerhouse Tsubaki oil gives skin a soft, subtle glow.

**7** Minerals from the Dead Sea replenish the skin, while mandarin and cedarwood deliver a lovely aroma.

**8** Indonesian plumeria adds a floral kick to this body oil.

**23** The scent of Caribbean lime makes this scrub divine.

**31** At last, this Korean skin care staple and super multitasker is available in the U.S.

**9** The Japanese camellia oil in this luxurious naturally softens skin.

**10** This cleansing body oil gets its gorgeous bouquet from Vietnamese violets, roses and lilies.

**12** The fragrant tea is filled with hibiscus native to East Africa.

**26** The extravagant candle has hints of Indonesian patchouli, amber and vanilla.

**29** Antioxidants, Japanese orchid and honeysuckle add to this nourishing body oil.

**30** Did you know Kakadu plum, native to Australia, contains the world's richest concentration of vitamin C from a natural plant source?

**15** Our favorite hair mask has a new formula made with African manketti oil for color-treated hair.

**28** A balm with Australian lanolin gives mega moisture to dry, cracked lips.

**22** Cleansing cloths with the oil of European primrose moisturize.

**24** Stop the Water While Using Me! An earth-friendly shower gel, rich in Brazilian acai, inspires users to save on water usage.
